

Amateur Radio Repair Parts - Internet Sale Parts Page

.... please wait ... this page is very long... ... almost 2000 parts are available on this page...

Updated December 22, 1998

It may take a couple of minutes for this page to index even after initial load appears finished. Please be patient.

The R. L. Drake Company is pleased to extend you the ability to order replacement parts via the internet for many of the amateur radio products we have manufactured. While our customer service department is always just a phone call away and always eager to assist you, this online order option is very convenient. For a limited time many items are being offered at a reduced price to internet customers. Click on the appropriate product to page directly to the replacement parts available for your model. Please note the following conditions governing online orders:

- Minimum order is \$15.
- Only charge card orders are accepted. Sorry, no COD or checks.
- All items are available as of date of posting but in limited quantities and are subject to prior sale.
- Internet sale prices are valid only on internet orders from this web page and do not apply to orders by mail, phone, or parts provided with repair services.
- All sales are final so identify the parts required carefully.
- Inquire about possible discounts for 25 pieces or more of any item by contacting saleparts@rldrake.com.
- To inquire about the specific application of a part or for assistance in identifying the part you need, send email to Service@rldrake.com. Note, however, that the customer service department is unable to offer the internet sale discount prices so return to this internet order form to place your order for the best pricing.
- All sales will be assessed a packaging and handling fee of \$3.50, regardless of the number of items ordered.
- Freight charges will be added to each order.
- Sales tax will be added to all Ohio orders
